## **Description**

The Timberwolf TW PTO/150H wood chipper, with emphasis on exceptional crushing power and chipping efficiency, is perfect for landowners, estates and golf clubs.

This PTO wood chipper with self-contained hydraulic system delivers a superb chipping performance and will fit onto any tractors fitted with a 6-spline 540rpm PTO shaft, Category 1 linkage and a 12 volt 7 pin lighting socket. The fully self-contained hydraulics prevent any cross contamination of oils or any pressure issues. The TW PTO/150H is ideally suited to tractors from 25hp to 60hp. This wood chipper will easily tackle branches from 125mm (5") to 152mm (6") depending on tractor horsepower.

The sleek design of the TW PTO/150H is a perfect match to sit behind a compact tractor and short enough to manoeuvre with ease.

### **Features**

152mm (6") cutting performance

Self-contained hydraulics

Auto feed control
